Where else can I get Sexual Health Advice?

GUM Clinics
Family Doctor
Practice Nurse
School Nurse
NHS Direct (111)
Health Visitor
Midwife

What if I think I have a Sexually Transmitted Infection?

Remember not all STI's have obvious symptoms.

If you have had unprotected sex you may be at risk

For further advice call or drop in to one of the clinics where you will be advised on the best course of action to take
